Summary: The The Child Care and Development Services Act provides that it is the intent of the Legislature to ensure that recipients and former recipients of CalWORKs are connected as soon as possible to local child care resources, make stable child care arrangements, and continue to receive subsidized child care services after they no longer receive aid as long as they require those services and meet eligibility requirements. This bill would prohibit the first stage of child care from being discontinued until the county receives confirmation from the administrator of the 2nd stage of child care that the family has been enrolled in the 2nd stage of child care, in order to ensure that there is no disruption in child care services due to the transition between stages.

Summary: The Planning and Zoning Law authorizes a local agency to provide by ordinance for the creation of accessory dwelling units in single-family and multifamily residential zones, requires the ordinance to designate areas within the local jurisdiction where accessory dwelling units may be permitted, and sets forth standards the ordinance is required to impose, including, among others, maximum unit size, parking, lot coverage, and height standards. The State Housing Law requires, with an exception for building standards adopted, amended or repealed by the State Fire Marshal, the Department of Housing and Community Development to propose the adoption, amendment, or repeal of building standards to the California Building Standards Commission. This bill would revise and recast the above-described provisions regarding accessory dwelling units to authorize the ordinance adopted for the creation of accessory dwelling units to designate areas where accessory dwelling units are excluded for health and safety purposes based on clear findings supported by substantial evidence.

Summary: The California Constitution requires that all judicial, school, county, and city offices be nonpartisan. The California Constitution prohibits a political party or party central committee from nominating a candidate for nonpartisan office, and prohibits including the party preference of a candidate for nonpartisan office on the ballot for the nonpartisan office. This measure would allow school, county, and city offices, except the office of the Superintendent of Public Instruction, to be partisan offices.

Summary: The California Constitution generally conditions the imposition of a special tax by a city, county, or special district, including a school district, upon the approval of 2/3 of the voters of the city, county, or special district voting on that tax. This measure would alternatively condition the imposition, extension, or increase of a parcel tax, as defined, by a school district upon the approval of 55% of its voters voting on the proposition, if the proposition meets specified requirements. This measure would also make conforming or technical changes to related provisions.
