Philosophy, Goals, Objectives, and Comprehensive Plans

BP 0460(a)

LOCAL CONTROL AND ACCOUNTABILITY PLAN

Note: The following **optional** policy reflects Education Code 52060-52077, as added by AB 97 (Ch. 47, Statutes of 2013), which require the Governing Board to adopt a three-year local control and accountability plan (LCAP) by July 1, 2014, and to update the LCAP on or before July 1 of each subsequent year. SB 97 (Ch. 357, Statutes of 2013) subsequently amended some of these provisions.

The Governing Board desires to ensure the most effective use of available state funding to improve outcomes for all students. A community-based, comprehensive, data-driven planning process shall be used to identify annual goals and specific actions aligned with state and local priorities and to facilitate continuous improvement of district practices.

(cf. 0000 - Vision)

(cf. 0200 - Goals for the School District)

Note: Pursuant to Education Code 52060, the LCAP must include goals and actions aligned with eight state priorities related to (1) the degree to which teachers are appropriately assigned and fully credentialed, students have sufficient access to standards-based instructional materials, and facilities are maintained in good repair; (2) implementation of and student access to state academic content and performance standards; (3) parent/guardian involvement; (4) student achievement; (5) student engagement; (6) school climate; (7) student access to and enrollment in a broad course of study, including programs and services provided to benefit low-income students, English learners, and/or foster youth (i.e., "unduplicated students" for purposes of the local control funding formula); and (8) student outcomes in the specified course of study. Education Code 52064 requires the State Board of Education (SBE) to provide a template for the LCAP on or before March 31, 2014. See the accompanying administrative regulation for further information about the required content of the LCAP.

The Board shall adopt a districtwide local control and accountability plan (LCAP), using the template provided by the State Board of Education, which addresses the state priorities specified in Education Code 52060. The LCAP shall be effective for three years and shall be updated on or before July 1 of each year. (Education Code 52060)

Note: Education Code 52060 provides that, in addition to addressing the state priorities in the LCAP, the district may establish and address local priorities. The following paragraph may be revised to reflect any local priorities. Examples include priorities for student wellness and other conditions of children, professional development, community involvement, and effective governance and leadership.

In addition, the LCAP shall address any local priorities adopted by the Board.

The LCAP shall focus on improving outcomes for all students, particularly those who are "unduplicated students" and other underperforming students.

Unduplicated students include students who are eligible for free or reduced-price meals,

LOCAL CONTROL AND ACCOUNTABILITY PLAN

English learners, and foster youth and are counted only once for purposes of the local control funding formula. (Education Code 42238.02)

(cf. 3553 - Free and Reduced Price Meals)
(cf. 6173.1 - Education for Foster Youth)
(cf. 6174 - Education for English Language Learners)

Note: Education Code 52062 requires the district to ensure that the specific actions included in the LCAP or the annual update are consistent with strategies in the single plan for student achievement (SPSA) submitted by each school pursuant to Education Code 64001; see BP/AR 0420 - School Plans/Site Councils for SPSA requirements. In addition, pursuant to Education Code 52064, the SBE is required to take steps to minimize duplication of effort at the local level to the extent possible. The LCAP template developed by the SBE must allow districts to complete a single plan that meets the requirements for the LCAP and the Title I local educational agency plan required by 20 USC 6312 (see BP/AR 6171 - Title I Programs).

To minimize duplication of effort and provide clear direction for program implementation, the LCAP and other district and school plans shall be aligned to the extent possible.

(cf. 0400 - Comprehensive Plans)
(cf. 0440 - District Technology Plan)
(cf. 0450 - Comprehensive Safety Plan)
(cf. 5030 - Student Wellness)
(cf. 6171 - Title I Programs)
(cf. 7110 - Facilities Master Plan)

The Superintendent or designee shall review the single plan for student achievement (SPSA) submitted by each district school pursuant to Education Code 64001 to ensure that the specific actions included in the LCAP or the annual update are consistent with strategies included in the SPSA. (Education Code 52062)

(cf. 0420 - School Plans/Site Councils)

Note: Pursuant to Education Code 52075, the district is required to establish policies and procedures, on or before June 30, 2014, implementing uniform complaint procedures for complaints that the district has not complied with LCAP requirements; see AR 1312.3 - Uniform Complaint Procedures.

Any complaint that the district has not complied with legal requirements pertaining to the LCAP may be filed pursuant to AR 1312.3 - Uniform Complaint Procedures. (Education Code 52075)

(cf. 1312.3 - Uniform Complaint Procedures)

Plan Development

The Superintendent or designee shall gather data and information needed for effective and

LOCAL CONTROL AND ACCOUNTABILITY PLAN

meaningful plan development and present it to the Board and community. Such data and information shall include, but not be limited to, data regarding the numbers of students in various student subgroups, disaggregated data on student achievement levels, and information about current programs and expenditures.

Note: Education Code 52060, as amended by SB 97 (Ch. 357, Statutes of 2013), requires consultation on plan development with all of the following groups. The law does not specify a timeline or method for such consultation. Examples of consultation may include the establishment of an advisory committee consisting of representatives of all the specified groups, solicitation of feedback from the groups after a draft plan is available, discussion of the LCAP at staff meetings, and communication with parent organizations, student councils, school site councils, or other established committees or organizations. The Board may delegate responsibility for arranging meetings and other input opportunities to the Superintendent or designee. The district may expand the following paragraph to reflect district practice.

The Board shall consult with teachers, principals, administrators, other school personnel, employee bargaining units, parents/guardians, and students in developing the LCAP. (Education Code 52060)

(cf. 1220 - Citizen Advisory Committees)
(cf. 4140/4240/4340 - Bargaining Units)
(cf. 4143/4243 - Negotiations/Consultation)
(cf. 6020 - Parent Involvement)

Public Review and Input

Note: Pursuant to Education Code 52063, the Board is required to establish a parent advisory committee that includes parents/guardians of unduplicated students. In addition, if district enrollment includes at least 15 percent English learners and at least 50 students who are English learners, the Board is required to establish an English learner parent advisory committee.

The district may use existing parent advisory committees for these purposes if the committee composition complies with Education Code 52063. However, the district should consider whether such opportunities need to be expanded to achieve significant levels of stakeholder involvement in the planning process as intended by the law.

The Board shall establish the following committee(s) to review and comment on the LCAP: (Education Code 52063)

1. A parent advisory committee including at least one parent/guardian of unduplicated students as defined above

Note: Item #2 may be deleted if district enrollment does not include at least 15 percent English learners and at least 50 students who are English learners.

2. An English learner parent advisory committee whenever district enrollment includes at least 15 percent English learners and at least 50 students who are English learners

LOCAL CONTROL AND ACCOUNTABILITY PLAN

The Superintendent or designee shall present the LCAP or the annual update to the committee(s) before it is submitted to the Board for adoption, and shall respond in writing to comments received from the committee(s). (Education Code 52062)

Note: Education Code 52062 requires notification to the public of the opportunity to submit written comments on the proposed LCAP, including notification in the primary language of parents/guardians when required by Education Code 48985. Pursuant to Education Code 48985, whenever 15 percent or more of the students in a school speak a single primary language other than English, notifications sent to parents/guardians of such students must be written in the primary language as well as in English; see BP 5145.6 - Parental Notifications.

The Superintendent or designee shall notify members of the public of the opportunity to submit written comments regarding the specific actions and expenditures proposed to be included in the LCAP or the annual update to the LCAP. The notification shall be provided using the most efficient method of notification possible, which may not necessarily include producing printed notices or sending notices by mail. All written notifications related to the LCAP or the annual update shall be provided in the primary language of parents/guardians when required by Education Code 48985. (Education Code 52062)

Note: Pursuant to Education Code 42127, as amended by AB 97 (Ch. 47, Statutes of 2013) and SB 97 (Ch. 357, Statutes of 2013), for the 2014-15 fiscal year and each fiscal year thereafter, the Board must not adopt a district budget until the LCAP or an annual update to the LCAP is in place for the budget year; see BP 3100 - Budget. The budget must include the expenditures necessary to implement the plan that is effective during the subsequent fiscal year. If it does not, the County Superintendent of Schools must disapprove the district's budget.

The Board shall hold at least one public hearing to solicit the recommendations and comments of members of the public regarding the specific actions and expenditures proposed to be included in the LCAP or the annual update. The public hearing shall be held at the same meeting as the public hearing required prior to the adoption of the district budget in accordance with Education Code 42127 and AR 3100 - Budget. (Education Code 42127, 52062)

(cf. 3100 - Budget)
(cf. 3460 - Financial Reports and Accountability)
(cf. 9320 - Meetings and Notices)

Adoption of the Plan

Prior to adopting the district budget, but at the same public meeting, the Board shall adopt the LCAP or the annual update. This meeting shall be held after the public hearing described above, but not on the same day as the hearing. (Education Code 52062)

The Board may adopt revisions to the LCAP at any time during the period in which the plan

LOCAL CONTROL AND ACCOUNTABILITY PLAN

is in effect, provided the Board follows the process to adopt the LCAP pursuant to Education Code 52062 and the revisions are adopted in a public meeting. (Education Code 52062)

Submission of Plan to County Superintendent of Schools

Note: Education Code 52070 requires the district to submit the LCAP and the annual update to the County Superintendent. The County Superintendent may seek written clarification of the contents of the plan and may submit recommendations for amendments, in accordance with the timelines specified in law as provided below. He/she is required to approve the LCAP or the annual update on or before October 8 if he/she determines that (1) the LCAP adheres to the SBE template; (2) the district budget includes expenditures sufficient to implement the specific actions and strategies in the LCAP; and (3) as amended by SB 97 (Ch. 357, Statutes of 2013), the LCAP or annual update adheres to supplemental and concentration grant expenditure requirements specified in Education Code 42238.07 for unduplicated students.

Pursuant to Education Code 52064, the district is not required to submit the LCAP or annual update to the SBE unless otherwise required by federal law.

Not later than five days after adoption of the LCAP or the annual update to the LCAP, the Board shall file the LCAP or the annual update with the County Superintendent of Schools. (Education Code 52070)

If the County Superintendent sends, by August 15, a written request for clarification of the contents of the LCAP or the annual update, the Board shall respond in writing within 15 days of the request. If the County Superintendent then submits recommendations for amendments to the LCAP within 15 days of receiving the Board's response, the Board shall consider those recommendations in a public meeting within 15 days of receiving the recommendations. (Education Code 52070)

Monitoring Progress

Note: The following **optional** paragraph may be revised to reflect the district's timeline for reviewing evaluations of the progress and effectiveness of strategies included in the LCAP. Such reports should be provided to the Board in sufficient time to allow for any necessary changes in the annual update to the LCAP by July 1 of each year, as required by Education Code 52060-52061.

Pursuant to Education Code 52064.5, the SBE is required to adopt evaluation rubrics by October 1, 2015, to assist districts in evaluating their strengths, weaknesses, and areas that require improvement. The rubrics will include all of the state priorities described in Education Code 52060 and the SBE standards for district and school performance and expectations for improvement in regard to those state priorities.

The Superintendent or designee shall report to the Board, at least annually in accordance with the timeline and indicators established by him/her and the Board, regarding the district's progress toward attaining each goal identified in the LCAP. Evaluation data shall be used to recommend any necessary revisions to the LCAP.

(cf. 0500 - Accountability)

LOCAL CONTROL AND ACCOUNTABILITY PLAN

Technical Assistance/Intervention

Note: Pursuant to Education Code 52071, the Board may, at its discretion and at the district's expense, request technical assistance as described in items #1-3 below. In addition, the County Superintendent is required to provide such technical assistance whenever he/she does not approve the district's LCAP or annual update to the LCAP and/or the district fails to improve student achievement across more than one state priority described in Education Code 52060, as determined using the SBE evaluation rubric.

When it is in the best interest of the district, the Board may submit a request to the County Superintendent for technical assistance, including, but not limited to: (Education Code 52071)

1. Assistance in the identification of district strengths and weaknesses in regard to state priorities and review of effective, evidence-based programs that apply to the district's goals
2. Assistance from an academic expert, team of academic experts, or another district in the county in identifying and implementing effective programs to improve the outcomes for student subgroups
3. Advice and assistance from the California Collaborative for Educational Excellence established pursuant to Education Code 52074

In the event that the County Superintendent requires the district to receive technical assistance pursuant to Education Code 52071, the Board shall review all recommendations received from the County Superintendent or other advisor and shall consider revisions to the LCAP as appropriate in accordance with the process specified in Education Code 52062.

Note: Education Code 52072 provides that the Superintendent of Public Instruction (SPI), with approval of the SBE, may intervene when a district meets both of the following criteria: (1) the district did not improve the outcomes for three or more student subgroups identified pursuant to Education Code 52052, or all of the student subgroups if the district has fewer than three subgroups, in regard to more than one state or local priority in three out of four consecutive school years; and (2) the California Collaborative for Educational Excellence (CCEE) has provided advice and assistance to the district and submits a finding that the district failed or is unable to implement the CCEE's recommendations or that the district's inadequate performance is so persistent or acute as to require intervention. For any district identified as needing intervention, the SPI or an academic trustee appointed by the SPI may, with approval of the SBE, take one or more of the actions listed in items #1-3 below.

If the Superintendent of Public Instruction (SPI) identifies the district as needing intervention pursuant to Education Code 52072, the district shall cooperate with any action taken by the SPI or any academic advisor appointed by the SPI, which may include one or more of the following:

1. Revision of the district's LCAP

LOCAL CONTROL AND ACCOUNTABILITY PLAN

2. Revision of the district's budget in accordance with changes in the LCAP
3. A determination to stay or rescind any district action that would prevent the district from improving outcomes for all student subgroups, provided that action is not required by a collective bargaining agreement

LOCAL CONTROL AND ACCOUNTABILITY PLAN

Note: Education Code 52060-52077, as added by AB 97 (Ch. 47, Statutes of 2013), requires the Governing Board to adopt a three-year local control and accountability plan (LCAP) by July 1, 2014, and to update the LCAP on or before July 1 of each subsequent year.

Content of the Plan

Note: Education Code 52060 requires that the LCAP include annual goals, aligned with specified state priorities, to be achieved for all students and for each numerically significant subgroup as defined in Education Code 52052. Pursuant to Education Code 52052, a numerically significant subgroup includes ethnic subgroups, socioeconomically disadvantaged students, English learners, students with disabilities, and foster youth, when there are at least 30 students in the subgroup (or at least 15 foster youth) in the school or district. For schools or districts with 11-99 students, numerically significant student subgroups are defined by the Superintendent of Public Instruction (SPI) with approval by the State Board of Education (SBE).

In addition, several state priorities address programs and services for "unduplicated students." For purposes of supplemental and concentration grants allocated through the local control funding formula, "unduplicated students" are defined by Education Code 42238.02 as students eligible for free or reduced-price meals, English learners, and foster youth; see the accompanying Board policy.

The district's local control and accountability plan (LCAP) shall include, for the district and each district school: (Education Code 52060)

1. A description of the annual goals established for all students and for each numerically significant subgroup as defined in Education Code 52052, including ethnic subgroups, socioeconomically disadvantaged students, English learners, students with disabilities, and foster youth. The LCAP shall identify goals for each of the following state priorities:
 - a. The degree to which district teachers are appropriately assigned in accordance with Education Code 44258.9 and fully credentialed in the subject areas and for the students they are teaching; every district student has sufficient access to standards-aligned instructional materials as determined pursuant to Education Code 60119; and school facilities are maintained in good repair as specified in Education Code 17002

(cf. 6011 - Academic Standards)

(cf. 6174 - Education for English Language Learners)

- c. Parent/guardian involvement, including efforts the district makes to seek parent/guardian input in district and school site decision making and how the district will promote parent/guardian participation in programs for unduplicated students, as defined in Education Code 42238.02 and Board policy

- (2) Academic Performance Index
- (3) The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study that satisfy specified requirements and align with SBE-approved career technical education standards and frameworks, including, but not limited to, those described in Education Code 52302, 52372.5, or 54692
- (4) The percentage of English learners who make progress toward English proficiency as measured by the SBE-certified assessment of English proficiency
- (5) The English learner reclassification rate
- (6) The percentage of students who have passed an advanced placement examination with a score of 3 or higher

LOCAL CONTROL AND ACCOUNTABILITY PLAN

Note: In addition to goals aligned with the state priorities described in item #1 above, Education Code 52060 provides that the LCAP may include goals for local priorities established by the Board; see the accompanying Board policy. Optional item #2 below may be revised to reflect local priorities.
--

2. Any goals identified for any local priorities established by the Board.

LOCAL CONTROL AND ACCOUNTABILITY PLAN

(cf. 0200 - Goals for the School District)

Note: Education Code 52060 requires that the LCAP include a description of specific actions the district will take each year to achieve the identified goals. As amended by SB 97 (Ch. 357, Statutes of 2013), Education Code 52060 provides that these actions must not supersede the provisions of existing collective bargaining agreements.

3. A description of the specific actions the district will take during each year of the LCAP to achieve the identified goals, including the enumeration of any specific actions necessary for that year to correct any deficiencies in regard to the state and local priorities specified in items #1-2 above. Such actions shall not supersede provisions of existing collective bargaining agreements within the district.

Note: Pursuant to Education Code 52060, in developing goals and actions for the LCAP, the Board may consider qualitative information, including, but not limited to, the results of school quality reviews conducted pursuant to Education Code 52052. Education Code 52052, as amended by AB 97 (Ch. 47, Statutes of 2013), authorizes the SPI, with approval of the SBE and conditional upon an appropriation in the state budget, to develop and implement a program of school quality reviews that features locally convened panels to visit schools, observe teachers, interview students, and examine student work.

For purposes of the descriptions required by items #1-3 above, the Board may consider qualitative information, including, but not limited to, findings that result from any school quality reviews conducted pursuant to Education Code 52052 or any other reviews. (Education Code 52060)

For any local priorities addressed in the LCAP, the Board and Superintendent or designee shall identify the method for measuring the district's progress toward achieving those goals. (Education Code 52060)

To the extent practicable, data reported in the LCAP shall be reported in a manner consistent with how information is reported on a school accountability report card. (Education Code 52060)

(cf. 0510 - School Accountability Report Card)

Annual Updates

Note: Pursuant to Education Code 52061, the district is required to update the LCAP on or before July 1, 2015, and each year thereafter.

On or before July 1 of each year, the LCAP shall be updated using the template developed by the SBE and shall include all of the following: (Education Code 52061)

1. A review of any changes in the applicability of the goals described in the existing LCAP pursuant to the section "Content of the Plan" above

LOCAL CONTROL AND ACCOUNTABILITY PLAN

2. A review of the progress toward the goals included in the existing LCAP, an assessment of the effectiveness of the specific actions described in the existing LCAP toward achieving the goals, and a description of changes to the specific actions the district will make as a result of the review and assessment

Note: Pursuant to Education Code 52061, as amended by SB 97 (Ch. 357, Statutes of 2013), the annual update to the LCAP must include expenditures for specific actions included in the LCAP and expenditures serving unduplicated students. The expenditures specified in items #3-4 below must be classified in accordance with the California School Accounting Manual.

3. A listing and description of the expenditures for the fiscal year implementing the specific actions included in the LCAP and the changes to the specific actions made as a result of the reviews and assessment required by items #1-2 above

Availability of the Plan

Note: Education Code 52065 requires the district to post its LCAP and annual update or revisions to the LCAP on the district web site. In addition, the County Superintendent of Schools is required to post all district LCAPs, or links to those plans, on the county office of education web site and to transmit all such plans to the SPI, who

The Superintendent or designee shall post the LCAP and any updates or revisions to the LCAP on the district's web site. (Education Code 52065)
