

**MILL VALLEY SCHOOL DISTRICT  
RESOLUTION NO. 07-22/23**

**IN SUPPORT OF EDUCATION WORKFORCE HOUSING IN THE DISTRICT BOUNDARIES**

**WHEREAS**, the Mill Valley School District (the “District”) is located in a part of Marin County where affordable housing is in dangerously low supply; and

**WHEREAS**, working families are finding it increasingly difficult to purchase or rent a home within or in close proximity to the District’s boundaries; and

**WHEREAS**, the lack of affordable housing close to the District has proven to be a barrier to the recruitment and retention of certificated and classified education employees needed to facilitate the implementation of the District’s educational programs to benefit the students living within the District’s boundaries; and

**WHEREAS**, the District wishes to express its unequivocal support of future development that could potentially provide much-needed affordable housing units for District employees within close proximity to the District’s schools that could ultimately be transitioned to workforce housing units to assist in the recruitment and retention of District employees, thereby enhancing the District’s ability to deliver its educational programs to the students in Mill Valley.

**THEREFORE, BE IT RESOLVED** that the Board of Education of the Mill Valley School District strongly urges the Planning Commission and City Council of the City of Mill Valley to approve future housing developments that contain affordable units as a condition of approval.
