

California Collaborative for Educational Excellence

Josh Daniels

Director of Training & Outreach

www.ccee-ca.org

CCEE

- Established to advise and assist LEAs in improving student outcomes
- Five member governing board
- Carl Cohn, Executive Director

Local Control

- Local Control is both a financial reform and a governance reform
- School Boards are crucial to making local control succeed

Local Control

- Key components
 - Continuous improvement
 - Multiple metrics of success
 - Collaboration and capacity-building
 - Equity-focused
 - Community engagement

Upcoming Workshops

- Purpose: Common baseline to interpret, understand, use LCFF evaluation rubrics
 - Connection with LCAPs will also be covered
- Workshops are designed for teams but individuals are welcome to attend as well
