

Benefits of Being a BuyBoard Vendor

BuyBoard is available to local government entities throughout the nation, allowing members and BuyBoard vendors to take advantage of the value of cooperative purchasing!

▶ ACCESS TO BUYBOARD MEMBERS

Vendors have access to a large network of school districts, county offices of education, municipalities, higher education and nonprofit organizations that are already using BuyBoard.

▶ VETTED BY A TRUSTED COOPERATIVE

When you become a vendor on BuyBoard, members know you are vetted by a purchasing cooperative that began in 1998 and is backed by both state and national associations.

▶ MORE EFFICIENT

By using BuyBoard, members don't have to prepare specs, advertise a call for bids, review proposals and award bids, saving valuable time on both sides.

▶ COMPLIANT PURCHASING

Purchasing through BuyBoard helps members stay compliant when procuring the goods and services they need. Using *your* products and services through BuyBoard provides members with peace of mind and confidence in their purchases.

▶ PROMOTION OPPORTUNITIES

Vendors on BuyBoard can leverage the BuyBoard logo and other collateral when advertising their services. Additionally, all vendors are featured on the BuyBoard vendor page and full product details can be viewed by members.

To add or update your logo on the BuyBoard page, email a high-quality logo file and company summary to contractadmin@buyboard.com.

To make sure customers can easily find your products when searching in buyboard.com, email your product details and pricing information to contractadmin@buyboard.com.

▶ FUNDING USE

BuyBoard is available for EDGAR (CFR) and Federal Funding use.

▶ NATIONAL PRESENCE WITH STATE RESOURCES

BuyBoard has a number of state-based associations, including CSBA in California, that sponsor the program and bring additional visibility at the state and local level to this national purchasing cooperative. For a full list of sponsoring associations on the national level, visit buyboard.com/national.

To see who is involved in the California cooperative, visit buyboard.com/hello-california
