

Top 5 Reasons

TO USE BUYBOARD PURCHASING CO-OP

1 COMPLIANCE

BuyBoard members meet state and local purchasing requirements through the interlocal purchasing agreement.

2 SIMPLIFIED PURCHASING

Vendors are competitively procured and vetted so members don't have to go out for a bid. BuyBoard is available throughout the United States, wherever use of purchasing co-ops is allowed.

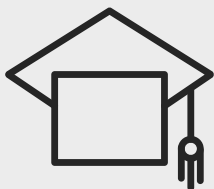

3 COMPETITIVE PRICING

Combining the purchasing power of local governments, school districts and county offices of education allows members — big and small — the leverage to achieve better pricing through economies of scale and reduced administrative costs.

4 TRUST & TRANSPARENCY

BuyBoard is member focused and member governed by a board of directors and has been serving local educational agencies and state and local governmental entities nationwide since 1998.

5 CHOICE & VALUE

With a wide range of offerings from more than 70 contracted vendors, members will find everything from pens and pencils to fire trucks and buses to support their LEA. BuyBoard vendors are diverse and range from small, regional-based to large, national vendors.
